## Terms and Conditions

### These Terms and Conditions govern the purchase and reproduction of images from The Fitzwilliam Museum Image Library:

1. No digital image supplied may be published or reproduced without prior permission from The Fitzwilliam Museum Image Library, hereafter referred to as the 'Image Library'.
2. The copyright in all the images remains the property of The Fitzwilliam Museum, University of Cambridge, hereafter referred to as the 'The Fitzwilliam Museum'.
3. As a condition precedent to the Client's reproduction of supplied image/s as detailed in the Licence Agreement:
  - a. for reproduction of images of works that are in copyright, the Client undertakes to approach the copyright holder of such a work, in many instances the artist or their estate or authorized representative such as a collecting agency, agent or lawyer, for their permission to reproduce an image of that work based on the Client's specified usage. The Fitzwilliam Museum does not make or give any express or implied warranties that any rights to reproduce a work that is in copyright and is depicted in the supplied image/s have been granted nor does it purport to grant the same nor does it warrant that no third parties own rights in the work therein depicted; and
  - b. for reproduction of names, persons or trademarks depicted in the supplied image/s, the Client undertakes to approach the relevant rights holder/s for their permission to reproduce an image of that third party material based on the Client's specified usage. The Fitzwilliam Museum makes no claim or warranty with regard to the use by the Client of names, people or trademarks depicted in any supplied image/s including model releases nor does The Fitzwilliam Museum purport to grant such rights.

The Client shall indemnify The Fitzwilliam Museum against any loss, damage, proceedings or costs arising where such rights, releases or consents have not been obtained or where any supplied image/s is used in a manner which infringes the rights of a third party.

Where the owner of rights in third party material is not known and cannot be ascertained on reasonable enquiry, the Client agrees to clear all rights and pay all fees that may become due in respect of use of such third party material and to indemnify The Fitzwilliam Museum in respect of all liabilities that may arise in relation to the Client's use of such material.

4. All reproductions must credit the artist or maker in full (as appropriate), the title of the work, and carry the copyright notice "*Reproduction by permission of the Syndics of The Fitzwilliam Museum, Cambridge*" or "© Fitzwilliam Museum, Cambridge".
5. It shall be the sole responsibility of the Client to ensure that, in its use of the supplied image/s, it does not:
  - a. defame, libel or slander any person;
  - b. infringe any rights of privacy, confidentiality or publicity of any person or any similar, analogous or related personal rights;
  - c. infringe any copyrights, trade marks or other rights of any person; or
  - d. breach any relevant laws, rules, codes or guidelines, and no approval by The Fitzwilliam Museum or evidence or any proposed use of the supplied image/s shall relieve the Client of the foregoing responsibilities.

The Client agrees that The Fitzwilliam Museum shall have no responsibility or liability of any nature whatsoever concerning the foregoing matters in this Clause 5.

6. The Image Library requires pre-payment for all orders and permission to reproduce is subject to all fees being paid in full. A pro-forma invoice can be supplied on request.
7. VAT, at the prevailing rate, will be charged in addition to the quoted fees. EU orders (excluding UK) may omit VAT if the Client's EU VAT code is quoted on the order form. The Image Library VAT No. is GB 823 8476 09.
8. New photography will not be undertaken until payment has been received in full. Up to 28 days should be allowed for the delivery of digital images from the date of payment.
9. The reproduction rights granted are on a non-exclusive licence basis.
10. Permission to reproduce the images is strictly limited to the specific use detailed in the Licence Agreement. All reprints, further editions, or use of supplied image/s other than for the purpose for which permission is granted necessitates a new application to the Image Library and payment of a further fee.
11. No rights granted may be assigned, loaned or transferred to any third party, save for the exercise of those rights for the specific use/s or product/s as detailed in the Licence Agreement.

12. If any publication right as defined in the UK Copyright and Related Rights Regulations 1996 SI 1996/2967 or any analogous right in any part of the world arises in the Client's use of the supplied image/s, the Client hereby assigns all such right/s absolutely to The Fitzwilliam Museum for the full term or such right/s.
13. In the case of certain scholarly monographs and articles in periodicals the Director of The Fitzwilliam Museum may, at his discretion, waive the reproduction fee. The Director's decision in all matters of reproduction fees is final. Where a reproduction fee is waived or educational fees allowed, the Image Library requires a copy of the publication to be sent for its Reference Library, addressed to the Image Library.
14. Any reproduction must be a true representation of the original work.
15. The image of the work must not be masked out, cut down, superimposed with type or other material, or in any way defaced without prior approval from the Image Library.
16. No manipulation of the image, other than for colour correction, is allowed without prior approval and based on the submission of artwork detailing the proposed changes.
17. In order to ensure that the colour reproductions are as accurate as possible, the Image Library reserves the right to request a colour proof of any reproduction of the image prior to printing. The Syndics of The Fitzwilliam Museum reserve the right to withdraw permission to reproduce if, after correction, the reproduction is judged to be unsatisfactory.
18. Where only a part of a work of art is reproduced permission must be sought in advance from the Image Library, and the word "detail" must be included in the caption.
19. Reproduction of items in The Fitzwilliam Museum collections from images other than those supplied by the Image Library is not permitted.
