Scientific instruments and models from the Middle Ages to present day, illustrating the global importance of scientific discovery here in Cambridge.

Hop on a bike – see more of cultural Cambridge

Cambridge is the UK's capital of cycling – hop on a bike and explore the cultural jewels of the city.

Cambridge has more museums, galleries and collections in a square mile than any city in the UK, outside London...

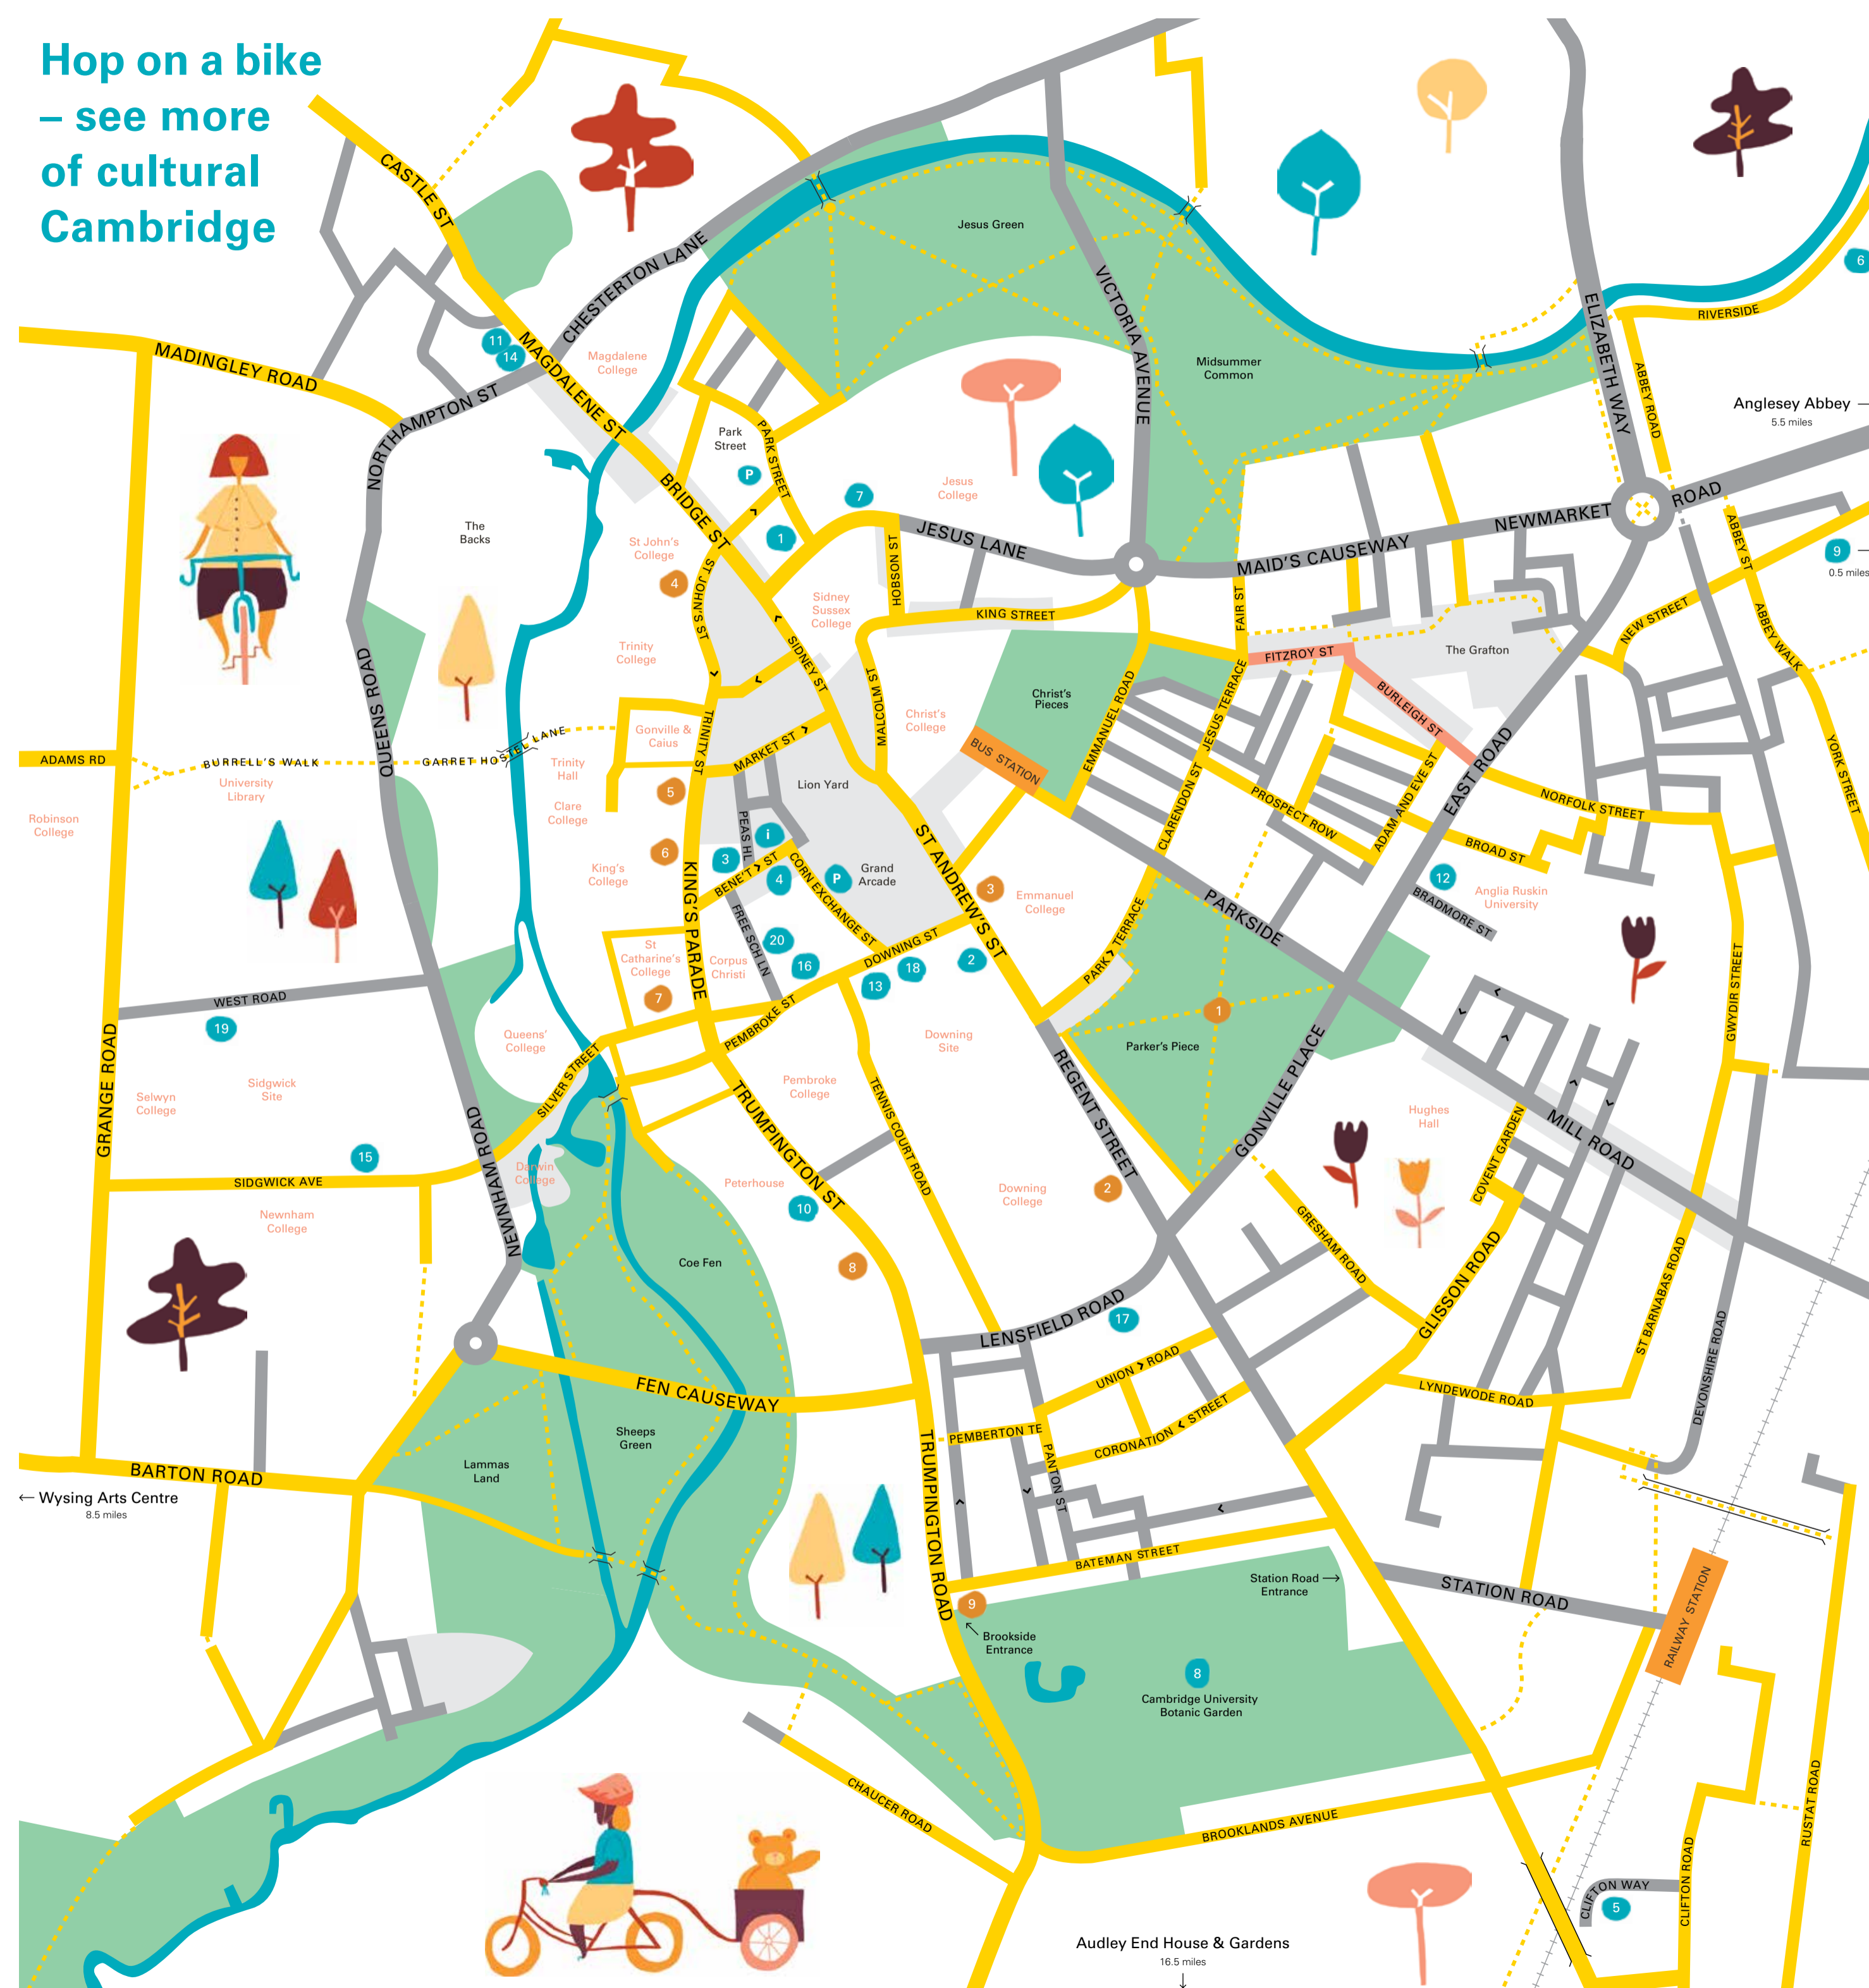

...theatres that have helped to make the careers of household names...

...music companies that tour the world, as well as performing 'at home' in the city.

Hop on a bike – see more of cultural Cambridge
