Which Helmet to Choose?

Prince Roland wanted to impress Princess Penelope with his jousting skills. Can you draw in the box which helmet you think he should choose if he wants to:

FEEL SAFE

LOOK SCARY

BE FASHIONABLE

Horses also wore armour to protect their heads. Can you find out what this piece of horse armour was called and write it in here?

For Blow or Show?

Some handkerchiefs are too beautiful to use for blowing your nose! Princess Penelope gave Prince Roland a hankie which he kept close to his heart. Why not design a hankie fit for a prince, using some of the ideas in the embroidery in Gallery 34. Don't forget to include your name and age in the design.
